The annual report of the Treasurer states that the receipts have been \$662 87; expenses, \$508 33; remaining in treasury, \$74 54.

During the afteznoon session yesterday several delegates consumed time in discussing the question of recording on the roll of members the name of Mr. George McKay Luken, of Memphis. Mr. Luken was elected by the Memphis Union to attend the National Convention called to meet in New-York is 1861; but as that meeting was not held (the state of the country then being such as to render indefinite postponement advisable), he could not appear and quantry. He is at present unable to reach New-York, but sends papers showing his loyalty and that of the Memphis Union to the National Society. Under these circumstances the name of the Memphis delegate was inscribed on the roll. Thereupon a resolution was offered and referred, requiring heraufter all delegates to appear in person before the after all delegates to appear in person Union can recognize them.
